

MICRO KITCHEN

DESCRIPTION

Micro Kitchen is an ultra-thin micro fibre cloth, with a structure ideal for use in kitchen areas. Ideal also for polishing and cleaning of hard surfaces like mirrors, glass, windows, plastic etc. Ideal to be used together with Super Foam Kitchen. Size 25x25cm with excellent absorbing properties.

PROPERTIES

- Cleans and polishes surfaces from dust, dirt, oil etc., very effectively without leaving any stripes or traces.
- Provides a very good result even without chemicals.
- The fibers are extremely thin and give the fabric a capillary effect with extreme absorbing properties.
- Is very durable and maintains the quality, even after being washed several times.
- Unbelievably effective against dust.
- Reduces the need for paper towels and rags.
- Reduces the need for cleaning agents.
- Can be washed. Reusable and extremely durable.
- Perfect size of 25x25cm.

FIELD OF APPLICATION

- Ideal for use in kitchen areas also to mirrors, glass, windows, plastic and other hard surfaces.

USER INSTRUCTIONS

- Can be used dry or wet and together with Super Foam Kitchen.

See further washing instructions on next page.
